Dear Colleagues,

The **International School on Organometallic Chemistry “Marcial Moreno Mañas”** is an annual activity organized by the **ORFEO-CINQA Network**. The meeting aims to get together young students, early career researchers and well-recognized, world-leading scientists in a good atmosphere to facilitate and generate exchange of scientific information and knowledge.

The XIIth edition of the school will be held from **June 12th to 14th 2019 in Castellón**, a Mediterranean-style city in the east of Spain, with wide-ranging cultural and gastronomic activities, and beautiful sand-covered beaches. The school will feature: 8 plenary lectures, and a large number of oral and flash presentations.

The oral contributions and flash presentations will be selected from the attendants. **We look forward to seeing you at the School next June 2019 in Castellón!**

Eduardo Peris
Chair of the Organizing Committee
